

## Peter Seidman, M.A., M.Ed.

Subject Matter Expert

Peter Seidman is a Supervisor of Learning and Professional Development and Literacy Subject Matter Expert (SME) at PCG.

Peter joined PCG in 2013 and has developed custom curriculum for large urban district and state-level clients including the New York City Department of Education, Chicago Public Schools, New York State Education Department, and the Texas Education Agency. Peter leads curriculum audits and designs and facilitates professional learning experiences to support curriculum and standards implementation for districts across the country.

### Expertise

- Custom curriculum design
- Professional learning
- Curriculum audits
- Literacy
- College and Career Ready (CCR) standards
- Leadership development
- Instructional coaching
- Education consulting

### Experience

Prior to joining PCG, Peter served as a coach for the New York City Department of Education's central office. In this role, he supported educators in aligning their practice to CCR standards and evaluated curricular resources for the department. Peter has served as an administrator for a charter management organization in Los Angeles, taught middle school English in high-needs New York City Public Schools, and is a proud product of the New York City Public School system.

Peter has designed and facilitated professional learning engagements for diverse audiences of large urban district educators in places like New York City, Miami-Dade County, Baltimore, MD, Hillsborough (Tampa, FL), Shelby County (Memphis, TN), and Hartford, CT. He has conducted curriculum audits for the Massachusetts Department of Elementary and Secondary Education (MA DESE) and contributed to numerous state and district-level proposals.

### Education

Peter has a Master's degree in Education Policy from Columbia University's Teachers College and a Master of Arts degree in English Education from the City College of New York, in New York, NY. Peter also holds a B.A. in English from Wesleyan University, in Middletown, CT.
