Angel Walters is a Senior Consultant at Public Consulting Group (PCG) responsible for supporting the Early Childhood Education team with projects related to child care needs assessments, feasibility studies, workforce initiatives, and child care systems analysis. Angel has over 20 years experience in human services, specializing in programmatic design and implementation, regulatory compliance support and workforce development initiatives.

Expertise

- Child care needs assessments and feasibility studies
- Quality Rating and Improvement Systems implementation
- Professional development and instructional design
- Program design and implementation
- Technical assistance on regulatory compliance with local, state, and federal guidelines

Education

Angel earned an M.S. in Organizational Psychology from Azusa Pacific University in 2021 and a B.A. in Sociology from the University of California at Los Angeles in 2000.

Experience

Prior to joining PCG in July 2022, Angel served at Child360/Los Angeles Universal Preschool for more than a decade, culminating in her role as Vice President of Assessment & Professional Development. She oversaw quality assurance, project management, assessment, and workforce development functions; managed subject matter experts and cross-functional teams; supported Quality Rating and Improvement System implementation; and guided professional development, technical assistance, quality assessments, and learning-management initiatives. Earlier, she worked at Crystal Stairs Resource and Referral Agency primarily focused on family and early childhood educator engagement.
