Kacie Schlegel is a Senior Consultant at Public Consulting Group who supports public-sector and human-services agencies in strengthening systems for children, youth, families, and communities. With more than a decade of human-services experience, Kacie bridges strategy, stakeholder perspectives, data, and practical implementation. Kacie leads and supports statewide initiatives, assessments, evaluations, strategic planning, training, grant activities, and process improvement, translating complex requirements into usable tools and sustainable solutions that improve service delivery, workforce capability, and outcomes.

Expertise

- Title IV-E and Family First
- Child welfare system improvement
- Juvenile justice reform
- Motivational Interviewing
- Behavioral health integration
- Strategic planning and grant administration
- Workforce development and training
- Process improvement and administrative streamlining
- Evidence-based and family-centered practice
