Travis Robinson is an Associate Manager at Public Consulting Group in the Human Services Practice Area. He leads strategy, growth, and delivery for state and local government engagements across child and family services, juvenile and adult criminal justice, and behavioral health service. With 20 years of public-sector experience, Travis advises clients on program design and transformation, federal policy and funding, grant management and program implementation and evaluation. He also supports Human Services artificial intelligence strategy and transformation.

Expertise

- Public-sector strategy and transformation
- Child welfare, youth services, and justice programs
- Federal grants, funding, claiming, and compliance
- Title IV-E eligibility and program operations
- Human-centered design and change management
- Artificial intelligence strategy and digital transformation
- Organizational assessment and process improvement

Education

Travis earned a Master of Public Administration with a criminal justice concentration and a Bachelor of Science in Criminal Justice and Criminology from Ball State University. He also graduated from the Bowen Institute for Political Participation and received the Outstanding Graduate Student Award.

Experience

Before joining PCG in 2013, Travis served as Program Coordinator with the Indiana Supreme Court's Office of Court Services, where he certified court alcohol and drug programs and problem-solving courts, advised local courts on evidence-based practices, and managed a U.S. Department of Justice drug court grant. Earlier, as Director of the Drug & Crime Control Division at the Indiana Criminal Justice Institute, he managed seven federal grant programs totaling $15 million annually, oversaw more than 200 subrecipients, supervised grant staff, and supported statewide planning and implementation initiatives. He also taught undergraduate criminal justice courses as a graduate assistant at Ball State University.
